MIDSUMMER

ミッドサマー

Foreword

Hello and nice to meet you, Kasumi here.
This is my very first NSFW doujin!
It features Kyouko and Sayaka on summer vacation
together, so I was very enthusiastic about drawing it.

Also, not that I've played it, but the MadoMagi
mobile game illustrations are all so cute!
Therefore I used the ridiculously adorable
"Sayaka Heading Out" picture as a reference.
Kyouko-chan in plain clothes is real cute too..
I'll draw her in them someday.. someday!!

Thanks for purchasing the doujin!

It's summer right now, but these two are passionate and warm all year round, it's great! Really, they are! Anyway..

May the both of them live happily ever after☆
